

THE PINWOOD INTERNATIONAL SEN. SEC. SCHOOL

ANNUAL REPORT 2021-22

The Pinewood International Sen. Sec. School aim to set a standard of educational excellence as an institution whose ethos and practice is based upon Human precepts. I, Surjit Singh Likhari , the President of the school takes immense pleasure and pride to present you a report of our activities and achievements for the academic Session 2021-22.

In the Session 2021-22, the total strength of the school from class Nursery to XII stands at 560 students, 36 teaching staff and 15 non-teaching staff.

Excellence in education and fostering the love of learning is the hallmark of The Pinewood International Sen. Sec. School. Our staff of dedicated and sincere teachers are working to improve the academic standards of our students. Efforts are made to promote the holistic development of students encouraging them to participate both in curricular as well as co curricular activities.

KEEPING UP WITH THE TURBULENT TIMES.

E- learning is an important and essential component of teaching which makes teaching learning process both interesting and interactive. In the academic session 2021-22, the school has been primarily working in an online mode in accordance with the Government Regulations. All classes and students were in touch with their class in charges and subject teachers through Google meet, Google forms, Video presentations, you tube videos and many other virtual modes. Efforts were being made to ensure that all students actively participated in the online mode and ensured maximum learning outcomes. Teachers conducted their online lectures with attractive and informative Power Point presentations, online activities and even conducted the Periodic tests and examinations through the online medium.

When the school reopened physically, all precautions of sanitization, thermal checking, wearing masks and social distancing were maintained. Care was also taken to ensure that the staff was vaccinated well in advance to provide a safe and secure school environment. Once the students got back into the daily routine of regular classes students of age group 15-18 years were vaccinated with both doses.

CO- CURRICULAR and EXTRA CURRICULAR ACTIVITIES.

These activities are an essential part of the life of an educational institution as they strengthen the classroom learning as well as develop the personality of the child and harness the in- depth potential of students. The activities were conducted throughout the

year. Some of these events were Fancy Dress Competition, Card Making, Making Best out of waste, poster making, Celebrating Yoga Day, NO tobacco Day, plantation drive.

All religious and national and regional festivals were celebrated throughout the year to educate the children about the rich cultural and religious heritage of India.

All class assemblies were conducted in an online mode. Every class participated with full enthusiasm on the topics given to them.

INCULCATING MORAL, ETHICAL AND SOCIAL VALUES AMONGST STUDENTS.

The school is humbled in being able to be a part of various donations made at different social platforms . School tries to inculcate the value of helping the underprivileged in its students and community as a whole. School organizes an annual visit of students to the Pingalwara. Students are motivated to donate in cash or kind to the above mentioned institution. Students develop a sense of empathy, sympathy and thankfulness .

The school also motivates students to donate throughout the year to any underprivileged in their social circle or during different environmental disasters faced by fellow countrymen.

PROMOTION OF SPORTS AND GAMES.

Along with academics, sports is an integral part of the school curriculum. **A sound mind resides in a sound** body. Basketball, Volleyball, Football, Badminton, Kho kho, Athletics are played and enjoyed regularly by all the students

Mass PT, Yoga and mediation were made an integral part of the virtual assembly keeping in mind the stressful times of Covid.

STUDENT'S ACHIEVEMENTS IN INTERSCHOOL COMPETITIONS.

Students participated in various online competitions organized by different schools of Amritsar Sahodya Complex. Different art, music and drama based events were being organized at the Bhavans SL Public School, Shivala Bhaiyan, Amritsar on the occasion of Sri Krishan Janamashtami, Gandhi Jayanti and birth anniversary of Sri Lala Lajpat Rai. Students of the school brought laurels in each event in each category.

Our students of class 11th and 12th participated in another unique event , organized by Delhi Public School, Amritsar- VYAPAR JAANKAR. These inter/ intra department trainings help to promote a cultural and work related diversity in the school. It promotes sharing of innovative ideas related to classroom management, assessment, teaching techniques and professional excellence as well.

ENVIRONMENTAL EDUCATION

Environmental education is a part of the day to day lessons being taught and the aspect is being stressed at through different medium and activities through out the academic year.

The school has taken up many initiatives to inculcate and promote the love for nature and environment amongst its students and teachers.

- The school has imposed a complete ban on the use of plastic bags in the school. As a substitute to plastic bags, students were made to create their own jute bags in the art and craft class.
- The school undertakes the segregation of waste at source and recycling and proper discharge of water.
- The school has taken up WATER AUDIT (AT SCHOOL AND HOME) as a SEWA project for classes IX and X to make students aware of the usage and wastage of water by students . Students, themselves , bring up new ideas and take steps to reduce wastage of water at every step in the school.

- The school promotes the idea of planting a tree by the students each year. This brings the idea of belonging and keeping them motivated to take care of that plant/tree throughout the year.
- The school uses energy saving electrical appliances.
- The school maintains a green look with lots and lots of plantation in and around the school.
- The school also has a unique program of BIRD AND ANIMAL FEEDERS around the school vicinity . This program is run by the students of the ECO CLUB. Under this program , students place FEEDERS for birds and animals for water and food at different places around their homes and the school. It's the responsibility of students to keep these FEEDERS filled with water and food for birds and animals.

PARENT – TEACHER’S ASSOCIATION

A general body meeting of parents is held on a regular basis and new members of the PTA were nominated for the year 2021-22.

Since PTA meetings have been arranged periodically, the PTA members of our school are closely involved in most academic activities. We thank and congratulate them for their support and cooperation through the years.

CONCLUSION

We believe that every year brings changes with the God Almighty’s protection. As we are passing through an unprecedented time, we at THE PINWOOD INTERNATIONAL SEN. SEC. SCHOOL are confident that we will overcome all the odds by our strong will and ethics and pave way for the betterment of the education fraternity and society in general .

Even though our students engage themselves in various co curricular activities and life skill activities, top priority is given to academic performance. Remedial teaching, extra classes, revision, unit tests , class tests, assignments, project work and end of term exams have kept them busy throughout the year.

I render thanks to our Principal, our management, our teaching and non teaching staff and my students and parents who have been with us in all our activities with maximum support and cooperation.
